Terms and Conditions

When you subscribe to a service from HighNet, we will send you our Standard Terms and Conditions and ask you to sign a contract, if applicable. If you have any questions, please phone our Internal Account Management Team on 0345 450 4502, option 2. We may carry out a credit check as part of our assessment procedures.

Where applicable the minimum contract term for our services will be 12 months. We aim to provide services within 10 working days of your original request, subject to the availability and installation of any equipment and, where appropriate, lines to your premises. If we need to carry out a survey of your premises or lay additional cabling, we will inform you of the revised timescales as soon as we can.

Cancellation

If you decide to cancel your order or agreement before we have provided the services, you may do so without charge within ten working days of your order being placed. For cancellations after ten working days we will charge you an administration fee as set out in your contract. If you wish to terminate your contract within the minimum term originally agreed, please call our Customer Service Team on 0345 450 4502, option 5. The team will respond by email, confirming the early termination fees and asking for your permission to proceed. After the minimum term you can cancel any service by giving 30 days' notice, in writing, to our Customer Services Team on info@highnet.com.

Faults and Repairs

Please call our Service Desk on 0345 450 4502, option 1 if you experience a fault with any of our services. For domestic customers we aim to have this investigated and repaired within three working days.

For SMEs, if required we will discuss operational service levels for the following on a case by case basis:

-  Activation of a new service
-  Restoration following loss of service
-  Keeping a pre-agreed engineer appointment

Compensation and Refund Policy

We do not offer automatic compensation payments in cases where the service level targets are not met and will assess any claim for compensation on a case by case basis. Any payment made will be on a purely discretionary basis.

We do not feel that fixed level compensation payments are appropriate for business customers, who we advise to seek other ways, such as insurance, to protect themselves against the impact of any loss of service.

Price Lists

Our pricing structure is available from our Customer Service Team on 0345 450 4502, option 5. We will write to you in advance if we change the pricing structure on your products and services.

Billing

You will receive an itemised bill on the first of the month, with payment due on the 15th.

You can choose to pay us via a range of options including credit card, cheque and direct debit. These are agreed at the start of your contract. If you wish to change your method of payment at any time, please call our Customer Service Team.

We provide itemised bills as standard.

If you have difficulty paying your bill, please contact us on 0345 450 4502, option 5 and we will try to arrange a different method of payment. We will do all we can to help our small business customers to manage their bills and avoid disconnection. In any event, you will be given 48 hours' notice of any decision to disconnect your services.

Moving Home or Office

Please call our Internal Account Management Team on 0345 450 4502, option 2 no later than 30 days before your move date. We will amend your account and billing requirements as necessary. We will endeavour to

offer you the same telephone number to minimise disruption but please note that for geographic numbers this is not always possible.

Number Porting

HighNet recognise that keeping your existing telephone numbers may be important to you. If you move your business to us and wish to keep the number that you have with your old provider, we will arrange it if you ask us. We will work with you to ensure that the services are switched over at a convenient and appropriate time. For more information, please call our Internal Account Management Team on 0345 450 4502, option 2.

If we fail to allow you to move your number away from us, we will pay you compensation at a rate of 1/365th cost of number per day of delay.

Directory Entries

You are entitled to a Directory Entry listing (including an entry in the Phone Book) for both your fixed and mobile telephone numbers. If you do want your details included, please contact our Customer Service Team on 0345 450 4502, option 5.

Complaints

We make every effort to ensure that our customers are happy with the level of service, and the products and service they receive from us. However, despite our best efforts, things can go wrong. We take customer complaints very seriously and aim to resolve them quickly and efficiently.

Our Code of Practice on Complaint Handling and Dispute Resolution explains how customers can complain. The code also provides information on how we deal with complaints and your right to take unresolved complaints to Alternative Dispute Resolution. You can find a copy of our Complaints Code on our website- www.highnet.com/complaints-code. Alternatively, copies are available free of charge and on request from our Customer Service Team on 0345 450 4502, option 5.

Part 2 - Code of Practice for Calls to Premium Rate Service, Unbundled Tariff and Personal Numbers

Purpose of this Code of Practice

This code informs you, our domestic and/or small business customers, about our policies on providing information about Premium Rate Service (PRS) calls and on our charging policy for calls to PRS numbers.

Unbundled Tariff Numbers

Unbundled Tariff Numbers are non geographic numbers starting with 084, 087, 090, 091, 098, or 118 which are used to provide a range of information and entertainment services and are charged to your telephone bill.

Charges for these services are made up of two parts, a Service Charge and an Access Charge and the total is added to your telephone bill. You will see the Service Charge advertised by the company providing the service alongside the number. Depending on the type of number called, the Service Charge can be up to £3.60 per minute, or £6 per call or per text (including VAT).

The Access Charge is retained by us, your phone company. Our Access Charge for calling Unbundled Tariff numbers is shown on our price list. Unbundled Tariff numbers in the 084, 087, 090, 091, 098, or 118 ranges are not included in your monthly call minutes allowance.

Personal Numbers

Personal Numbers are numbers starting with 070. Calls to Personal Numbers are charged at the same rate as for mobile numbers. Calls to Personal Numbers are not included in your monthly call minutes allowance.

Controlled Premium Rate Services

Controlled Premium rate services (CPRS) are Unbundled Tariff numbers which cost 7p per minute or more. UK-based CPRS numbers are normally prefixed by "09" or "118". Numbers starting 087 are also designated as Premium Rate numbers and subject to PRS regulation when they cost 7p per minute or more. Typical services include TV votelines, mobile ringtone downloads, technical helplines, charity fund-raising and adult entertainment. Calls to 118 services are capped at £3.65 for a 90 second call (including VAT) plus our Access Charge.

If you have a problem with Premium Rate Services, we can help. We can provide advice on checking the telephone number of any PRS charges that appear on your bill and will try to help you identify the premium rate service provider. We can use call barring to restrict access to "09" numbers. Please call our Customer Service Team on 0345 450 4502, option 5 for advice on this. We can give you a factsheet on PRS.

You can also ask for help from the Phone-paid Services Authority (PSA) which is the industry-funded regulatory body for Premium Rate Services. PSA operates a Code of Practice that sets out standards for the operation of PRS. You can use the PSA website at www.psauthority.org.uk to check PRS numbers direct and find contact details for the company in question or to submit a complaint. PSA has the legal powers to require a provider of PRS to amend its service or promotional material (or both) and can also order refunds and impose penalties on service providers for breaches of the PSA Code. For other ways to contact Phone-paid Services Authority, see the "Useful addresses" section below.

If you are unhappy with the help you have received from us on a problem with PRS, please contact Katrina Macleod on 01463210021 or by email katrina@highnet.com, who has responsibility for compliance with our code of practice for PRS and NTS. You may also complain using the complaints procedure set out in our complaints code including, ultimately, referring your complaint to Ombudsman Services.

The Telephone Preference Service

If you don't want to get sales and marketing calls you have not requested, you can add your details to a list run by the Telephone Preference Service (TPS). If your number is on the list, it is illegal for a company to call you for marketing purposes. You can contact the Telephone Preference Service via www.tpsonline.org.uk or by telephoning 0845 070 0707.
